

City of Westwood Hills December 2016 Newsletter

The City of Westwood Hills wishes everyone a wonderful holiday season and a Happy New Year.

Snow Ordinance

Please remember not to park on the street during a snow storm, and for 24 hours after a 2 inch or greater snow, so that the plows can thoroughly clear the streets.

Violators will be ticketed, and any vehicle remaining on a street 2 hours following a snow accumulation of 2 inches or more may be towed from the street by the city at the expense of the owner of the vehicle.

2017 Home Occupation Licenses

If you operate a business from your home, please complete the [Home Occupation License](#) form and mail the completed application with a \$25.00 check payable to the City of Westwood Hills. Home occupation licenses must be renewed annually.

Pet Registration

Please register your animals living in Westwood Hills. Beginning in 2010, the city provided each pet owner a pet tag with an identifying number, good for as long as you have your animal, rather than issue annual tags.

Please ensure that all your animals are always current on their proper vaccinations. Also, when circumstances change, for instance, getting a new pet, or losing a tag, please apply for a new tag. Therefore, if a pet is lost, there is a better chance of helping reunite the pet with its owner. If you need to register a pet now, please fill out the [Pet Registration Form](#) and return to Beth O'Bryan. Westwood Hills allows two cats and two dogs per residence.

Construction and Other Vehicle Parking

Please make sure your contractors are not parking their vehicles on any part of the City's sidewalk, because this is illegal. Additionally, please ask your contractors and other visitors to park only the the side of the street where parking is allowed. If you see any illegal parking on your street, please ask them to move the vehicle, or call the non-emergency line for Westwood Police, and they can issue a warning or actual ticket as merited.

House Watch Submission Form

The Westwood Public Safety Department can help monitor your property while you are out of town. To begin this service, complete and submit the [Online Form](#) at least two business days before you depart.

Construction

If you are considering any work around your property, you may need a permit. Check with the City Clerk at whclerk@gmail.com before starting any work.
